

# POST Instructor Symposium 2008

## “It’s Still All About The Students”

The purpose of this symposium is to further develop the instructor skills of the California law enforcement instructor. This symposium subsumes the ICI instructor symposium and the Master Instructor Program (MIDP) conference.

There will be workshops provided that will address all spectrums of experience and will cater to the novice instructor as well as the Master Instructor.

The symposium is designed for active, hands-on participation by the students. Several notable speakers will be in attendance, giving keynote speeches and facilitating interactive workshops during the many breakout sessions.

### Topics will include:

What Motivates People

Learning Theory

The Course Roadmap

Presentation Skills

Effective Use of Instructional Aids

Generational Training

Emotional Intelligence

Facilitation Skills (novice and advanced)

Instructional Technology

Critical Thinking Skills

Problem Based Learning

### Trainers:
